

Looking for greater employee retention
and increased performance?
Look no further.

Learning Alliance

If you're looking for greater employee retention and increased performance, look no further than the Learning Alliance — made up of eight San Fernando Valley LAUSD Education & Career Centers (ECCs). Our collaborative reviewed similar and existing programs, then combined their best elements into customized workplace employee training programs in order to address the critical need for training programs specialized for the workplace.

The Valley Economic Alliance

Better businesses. Better jobs. Better communities.

Some of the customized training programs we offer:

- **English as a second language (ESL)**
- **Distance Learning**
- **Customer Service Training**
- **Math and Reading Skills**
- **Industrial Skills Training**
- **General Education Diploma (GED)**
- **Business Skills Training**
- **Typing Skills**
- **Computer Literacy**
- **Aircraft Mechanics**
